

FIS Skisprung Weltcup  
**WILLINGEN**  
28. – 30. Januar 2022

**Dear media representatives,**

Willingen, 14.01.2022

this year again the Corona pandemic unfortunately has an impact on the FIS Ski Jumping World Cup 2022 in Willingen. Once again, no spectators are allowed and also the work of journalists, photographers and TV and radio teams is subject to some conditions. The 2G-plus rule applies to the event. The following points are mandatory:

**PCR test:** Accreditation will only be issued in the press center (Auf dem Hagen 10) upon presentation of the ID card if a negative PCR test is available, which must not be older than 48 hours. This is a requirement of the FIS.

The Ski-Club recommends to have this test done before arrival. However, it is also possible to perform the PCR test on site in Willingen with an external service provider at a price of 96.80 euros during the following period (without registration):

**Thu. 27.01:** 11:30 to 16:30, location Hotel Hochsauerland 2010, Sonnenweg 23

The result will be sent to everyone's cell phone on the same day by midnight at the latest.

**Antigen rapid test:** In addition to the PCR test in advance, each media representative must undergo a rapid test daily at the Covid test center of the Ski Club at the ski jump (per test 13.80 euros). The opening hours:

**Fri. 28.01:** 7:00 a.m. to 12:00 p.m.

**Sat. 29.01:** 7:00 a.m. to 12:00 p.m.

**Sun. 30.01:** 6:30 a.m. to 12:00 p.m.

The quick test can also be done at any other official test center in Willingen or elsewhere. However, it is mandatory to present it at the Covid test center at the ski jump. Testcenter in Willingen can be found here:

**Masks are obligated:** FFP2 masks must always be worn on the entire event site and in the press center. This also applies at the workplace in the press and sub-press center. Only when eating and drinking may the mask be removed.

**Workplaces:** Workstations in the press and subpress center will be permanently assigned and are valid for the entire weekend.

**Photo shirt:** Once again, photographers will be issued with a photo shirt at accreditation. A deposit of 30 euros must be paid for this, which will be refunded when it is returned to the press center before departure.

**Mixed zone:** A minimum distance of 1.5 meters must be maintained in the mixed zone. Interviews with athletes leaving the hill via a separate corridor can be conducted with the appropriate distance.

**Shuttle service:** A shuttle service will be provided from the press center to the ski jump. A shuttle service will also be available for photographers to take them from the stadium up to the inrun tower, from where they can walk down to the ski jump. The vehicles may only be occupied by 2 people per row of seats. The cable car is not available. It is reserved exclusively for the sport.

**With kind regards**
